Dear **Mr. President and Members of Congress:**

The **Arctic National Wildlife Refuge** is a part of God's creation that stands alone in its wilderness, ecological integrity, and beauty. This sacred landscape is also home of the Gwich'in, Alaska native people who depend upon the Porcupine caribou herd for their daily subsistence. The possibility of oil exploration in the Refuge jeopardizes the ecological integrity of the Refuge and the way of life of the Gwich'in people. As members of the faith community, we ask you to grant the Arctic Refuge the strongest possible protection. It is our hope that you will join us in recognizing that the precious gift of the **Arctic Refuge deserves our best efforts at stewardship and preservation by permanently protecting the Refuge for this generation, and generations to come.**

Sincerely,
