

Thank you for journeying through this celebration of God's wild places with us. Please feel free to come back often to find a prayer, scripture passage, sermon, hymn or reflection to rejoice in Creation. We would love to see how you, your family, and your congregation are celebrating wonderful pieces of Creation in your own backyards. Connect with us at [tricia@creationjustice.org](mailto:tricia@creationjustice.org), on Facebook at Creation Justice Ministries or on Twitter [@CreationJustice!](https://twitter.com/CreationJustice)

Now go out and enjoy God's Earth!
